Chief Mechanical Officer

Irvin P. Cook, Chief Engineer

Rail Motor Cars

December 12, 1962
The ALABAMA RAILROAD
RECEIVED
DEC 13 1962
Office of Comptroller

3070

The IBM Listing of motor cars carried in the accounts as of November 30, 1962 shows the following motor cars which were not picked up on the inventory of the same date. The Engineering Branch has no record of any of these cars being used during the past three years:

G-514	Property No.	14721	△
708	"	"	14722
905	"	"	9954
912	"	"	356
928	"	"	14723
983	"	"	8515
988	"	"	12386
1003	"	"	9065.

x These items reported short 1961 inventory

Please advise if your records indicate any disposition of these motor cars and your recommendation for retirement of these and any of the six 800 & 900 class and eight M-19 class cars now in the shop.
